## **100 Recommended Books**

Dear Parents and Carers,

I am writing to you to support your choice with selecting from the vast amount of fabulous books available for children to read. Choosing books can be difficult at times and as a school we wanted to provide some guidance on recommended books for children of different ages.

We have uploaded 100 recommended books for children to read in KS1, Years 3 and 4 and Years 5 and 6 onto the school's website. The 100 recommended books lists will be used at school with the children and books from the list will be read and discussed in lessons.

Children will have read some of the books from the lists and will have access to a variety of the recommended books at school and at home which is a wonderful start.

Have Fun Reading!!

Thank you for your support.

English Leader
