

Homework Menu - Seasonal Changes- Autumn Term 1

Year 1

Choose a homework task.

Bring in your completed homework, to share with the class, on Wednesday 21st October.

Look at an information book or age-appropriate videos and websites online with an adult to learn more about the weather and seasons. Write one or more fascinating facts to show something that you have learned. Draw pictures to match your fascinating facts.

Fold a piece of paper into four quarters - one quarter for each of the seasons. Use what you know about the seasons to draw a picture in each section. Include the weather and what the trees and other plants look like.

Create a piece of artwork or craft on the theme of weather or the seasons. Ideas include a painting or collage, or you might like to make a kite or wind chimes. Instructions are available online.

Weather forecasts use symbols on maps to tell people what the weather will be like where they live. Design weather symbols for different types of weather.

Learn about the current season by going for a walk in your locality. Talk about the weather and spot and photograph seasonal features, such as leaves, flowers, or nuts and seeds.

Show an adult how to make a shadow with a torch. Can you make any interesting looking shadows?

Learn how to fly a kite, asking an adult to help you.

Collect rainwater in a container. How much can you collect in a week?

Make your own weather chart and keep a record of the weather every day.
