Autumn 2

Then and now school comparison-

Draw 2 pictures.

- One showing what school was like long ago.
- One show what school is like today.

Write a few sentences to explain the difference.

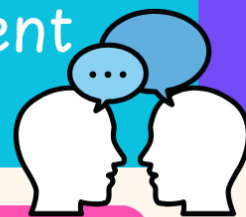

Interview a grown up-

Ask a parent, grandparent or neighbour what school was like when they were younger.

Write down:

- 3 things that are the same
- 3 things that are different

Material hunt-
Find objects around your home and draw and label what material they are made from (e.g. wood, plastic, metal).
Would they be better off made from a different material?
