

Year 5 Homework Menu - Autumn 2

Please try to complete at least 2 of the activities and bring them into school for us to see!

Create a biography of an explorer from long ago,

Draw or make an underwater seascape. Try to use a variety of different materials.

Oceans

Design a treasure island map. Think about what you might see on your island.

Create a poster encouraging people not to pollute the oceans.

Make a boat that will float. Take some pictures or bring them in to show the class.

Plan what 10 things you would take with you if you had to live on an island on your own. Explain why you chose those items.
