OVERVIEW

Dear Park View families,

Welcome back! We hope you all had a wonderful half-term break and enjoyed some special time together with family and friends. It has been lovely to welcome everyone back to school this week. The children have returned full of energy, enthusiasm and excitement, ready for another busy and successful half term.

We would like to thank all parents and carers who attended our Parents' Evenings before the break. We hope you found the new organisation of the meetings helpful and that the conversations with teachers were positive, supportive and informative in helping your child's development and progress.

We are also delighted to share some very happy news from our staff team. Over the half-term holiday, Mr Toth and his wife welcomed a beautiful baby girl. Mum, baby and family are all doing very well. I am sure you will join us in sending our warmest congratulations and best wishes to them all as they enjoy this very special time.

This week, many children have enjoyed returning to our after-school clubs, and it has been wonderful to see their enthusiasm and participation. We look forward to offering even more exciting opportunities throughout the rest of the year.

Reception children have had a very informative visit from an NHS nurse, who taught them about the importance of good handwashing and how this helps to keep us healthy. All classes have also been exploring Bonfire Night, learning about its history and, importantly, how to stay safe around fireworks and bonfires.

Looking ahead to next week, we will be celebrating Kindness Week across the school. Children will be taking part in a range of activities that encourage them to think about how they can show kindness to others through their words and actions. As part of our celebrations, we will be taking part in Odd Socks Day on Thursday 12th November, promoting individuality, respect and inclusion. We encourage all children to wear their favourite odd socks and celebrate what makes us all unique.

In EYFS, children will also be enjoying World Nursery Rhyme Week, taking part in songs, rhymes and activities that support their language, communication and early literacy development.

The whole school will also be marking Remembrance Day, with children learning about the importance of remembrance and taking time to reflect on the sacrifices made by others.

Thank you, as always, for your continued support. We look forward to another fantastic half term filled with learning, kindness and memorable experiences for all our children.

Best Wishes
Mrs Collopy

PARK VIEW

REMINDERS

Please remember that PE kits are a white tshirt, black shorts, leggings or tracksuit bottom **with a red school jumper or cardigan.**

Children need to be in school by 8.50 as lessons will be starting and we do not want them to miss out on vital learning.

Please label your child's jumpers, cardigans and coats. We have a lot of lost property in school. If names were in them, we could easily give them back to the correct child.

If someone different will be collecting your child, please notify the school office before the end of the school day.

Please check Class Dojo regularly for important messages, reminders, and updates from school and your child's class teacher.

ATTENDANCE

Last year, attendance at Park View was in line with the national average. This is a testament to the commitment and hard work of our families in ensuring their children are in school every day, ready to learn.

Please remember that children do not need to be 100% to attend school. If your child is feeling a little under the weather but is well enough to take part in the school day, we encourage them to come in. Our staff will care for and monitor them, and if their condition worsens or we have any concerns, we will contact you straight away. Attending school whenever possible helps children maintain routines, learning, and friendships.

A PROUD MOMENT FOR PARK VIEW

We are delighted to share the outcome of our recent Ofsted inspection, which recognised that Park View continues to provide a good standard of education and celebrated the many strengths of our school community.

Inspectors found that "pupils are happy at Park View Primary School" and highlighted the warm, inclusive environment that makes Park View such a special place. They recognised how proud our children are of the many languages and cultures represented within our school and the positive relationships that underpin daily life.

The report also acknowledged the significant progress made since September, noting that we have acted swiftly to strengthen the curriculum and further improve teaching and learning across the school.

This report is a wonderful reflection of our caring school community and the dedication of our staff, pupils and families. We are incredibly proud of everything that has been achieved and grateful for the support we receive from our parents and wider community.

We're particularly pleased that inspectors recognised our commitment to inclusion, praising the support provided for pupils with additional needs and the wide range of opportunities available to all children. From leadership roles and creative projects to enriching experiences beyond the classroom, these opportunities help our pupils to grow in confidence and develop a love of learning.

While we know there is still more to do, this report gives us real confidence that we are moving in the right direction. Together, we will continue to build on our strengths and ensure every child at Park View thrives.

There is a lot of support available to keep children safe online. Below are some useful links to help parents and carers:

Internet Matters
From age-specific online safety checklists to guides on how to set parental controls on a range of devices.

Parent Zone
Parent info provides support and guidance for parents.

ThinkUKnow
An education programme from NCA-CEOP, a UK organisation which protects children both online and offline.

Common Sense Media
Enables parents to review apps, games, movies, books, etc that children may be interested in.

ENCOMPASS

Operation Encompass is a police initiative supported by Bury Safeguarding Board.

The project has been designed to provide early reporting to schools of any domestic abuse incidents that occur outside of school but which might have an impact on a child attending school the following day. This information will be shared on school days during the school term. When incidents occur on a Friday, Saturday or a Sunday, the police will contact the relevant school the following Monday.

A nominated member of school staff, known as a Key Adult, will be trained to liaise with the police. At Park View our Key Adult is Mrs Collopy (Mr Toth in her absence). They will be able to use information that has been shared with them, in confidence, to ensure that the school is able to support children and their families. Information will be shared where it is identified that a child or young person was present, witnessed or was involved in a domestic abuse incident.

We always endeavour to offer the best support possible to our pupils and believe that Operation Encompass is going to be beneficial and supportive for all concerned children and families.

In signing up to Encompass the Governing Body and Senior Leadership Team:-

- Endorse the Encompass Model and support the Key Adults in our school to fulfil the requirements of the Bury Encompass Protocol.
- Promote and implement Bury Encompass processes and use these in accordance with internal safeguarding children pro-cesses.
- Recognise the sensitive nature of the information provided and ensure that this is retained in accordance with the principles of data protection

SILVER CLOUD
