***Learning and Growing Together***

Dear Parents and Carers

Now it appears summer is here we would like to keep your child sun safe. As the children learn both inside and outside it is important that suncream is applied before they come to school.

Wearing a sunhat is also advisable. Please don't forget to label the hat with your child's name. We do have spare hats in school if they forget theirs.

Also please don't forget to send your child's water bottle into school as they often get thirstier in the hot weather. We will refill them when they are empty.

Yours sincerely,

Mrs R. McClean

Assistant Head Teacher
