## ***Learning and Growing Together***

13<sup>th</sup> January, 2017

Dear Parents/Carers,

### **RE: Weather Forecast**

In light of the recent inclement weather and forecast for next week, I would just like to remind parents of our procedures in the event of a school closure. **I must emphasise that wherever possible we will endeavour to remain open.** However, decisions have to be made in light of local weather and having sufficient staff able to travel to school to provide safe care for your children. If the school is to be closed a message will be posted on the school website: [www.parkviewprimary.com](http://www.parkviewprimary.com), we will also notify Key 103 radio who will provide regular bulletins and in addition, text messages will be sent out to all parents as soon as practically possible.

If the school remains open in snowy/icy conditions, please ensure that all children and adults take extra care on the surrounding walkways and playgrounds into school. Children may also wear alternative footwear and outerwear during this time.

Yours sincerely,

D. Stephens  
Head Teacher
