

### Equality Statement

At Park View Primary School we aim to identify and remove all barriers in order to help children reach their full potential.

In order to achieve this the Equality Objectives for the Academic Year 2018-19 are:-

To promote spiritual, moral, social, and cultural development through all curricular opportunities, with particular reference to issues of equality and diversity.

To remove prejudice and increase understanding of equality through direct teaching across the curriculum.

To promote cultural development and understanding through a rich range of experiences both in and beyond school.

To remove prejudice and promote understanding in relation to people with disabilities.

To close the gap between any vulnerable groups.

To reduce incidences of prejudice related bullying in relation to the protected characteristics listed in the Equality Act 2010.

To continually consider how well the school ensures equality of opportunity for all of the children in our care.
