Learning and Growing Together

24th April 2020

Hello again!

Dear children,

I just wanted to say hello again to keep in touch and to check that you are still doing well and still managing to stay healthy and safe.

It's been an absolute delight to hear feedback from your teachers about how well a lot of you are doing with all the work that has been uploaded for you via all the online platforms!

I've heard from a lot of teachers that Google Classrooms are now working well for a lot of you which is great news. Remember if you or your parents/carers are struggling to access any of the work, then please get in contact with us at parkview@bury.gov.uk or for Google Classrooms specifically, please email adminaccount@parkview.fr as help is always available.

Remember, you do not have to spend all day every day trying to complete your work, so I really hope that you are also finding lots of time to enjoy other activities at home and also time to enjoy the gorgeous sunshine at the moment! Some exercise, fresh air and a bit of sunshine always does us the world of good and makes us smile!

I will continue to keep in touch with you all, but in the meantime please continue to keep yourselves healthy and keep safe.

We continue to miss you all,

Love Mrs Udall
