Learning and Growing Together

17th July 2020

Happy Summer Holidays!

Dear parents and carers,

I wanted to send a heartfelt letter out to you all on this last day of term in order to wish everyone a very happy, safe and healthy summer holiday!

It certainly hasn't been the type of 'year-end' any of us were expecting, but with your understanding and patience we have worked together to support the Key Worker Bubbles across school and also facilitate multiple Class Bubbles across school too! It has been such a joy to welcome so many Y6s, Y1s and Reception children back for the final few weeks, and it will be delightful to welcome **all** our children back in September, including all our new starters in Early Years too.

I'm sure you'll want to take this opportunity with me to thank all the staff here at Park View for their tremendous effort, support and hard work in managing the Key Worker provision, the Class Bubble provision and continuing with the online learning platforms that we have in school – Google Classrooms and Tapestry. The staff have been simply **outstanding** - working together as a real Park View Team and making sure the children are safe, well and looked after in every respect!

I will be sending out another letter before the children return in September with details about staggered start times and collection times and also which entrance and exit to use for each Key Stage. This will be in accordance with our updated COVID-19 risk assessment document. Please look out for this nearer the time!

Once again, thank you for your continued support over the last academic year, but particularly the last 5 months. I hope you manage to get a peaceful and relaxed summer break and we will see you all again on 2nd September.

Thank you and warmest wishes,
Mrs Udall
